Description

The HORTILOX 7mm BOOCATED SACA punch is an essential tool designed to drill holes in polyethylene tubes, facilitating the assembly and maintenance of irrigation systems.

Technical characteristics

- Hole size: 7mm
- Materials: High quality UV-resistant
- Design: Single punch and punch with handle
- Usage: Daily irrigation system

This tool allows you to create a firm grip by turning back and forth, or insert the tube into the model with a drill handle by pressing down. Its robust construction ensures durability against solar exposure.

It is easy to transport and use in a wide range of applications within the agricultural field.

Specifications

Diameter	7mm
EAN	8432453702385
Manufacturer	HORTILOX
