Description

Surface box of the Mosaic program for vertical assembly, designed to accommodate up to 5 modules or a 2x2 configuration. It incorporates a specific support (ref. 0 802 52) and a removable 20x12.5 mm input for easy cable management.

Technical characteristics

- Material: Thermoplastic plastic, halogen free.
- Colour: White (RAL 9003), glossy surface without treatment.
- Dimensions: 154 mm wide, 83 mm high and 40 mm deep.
- Mounting position: Vertical, rectangular shape.
- Degree of protection: IP2X, impact resistant.
- Includes duct and cable inputs; does not include cover frame.
- Compatible with devices up to 154x83x40 mm.

This modular solution allows an orderly and safe installation of electrical mechanisms on the surface, optimizing the available space thanks to its compact design and removable input system.

Specifications

Width	154 mm
Colour	Blanco brillante

EAN	3245060802820
Manufacturer	LEGRAND
Depth	40 mm
Series	Legrand Mosaic
