Description

The Light Now plate is a functional accessory designed to aesthetically complete the installation mechanism. It is a plate of two modules centered with Sand Stone finish, designed to integrate into horizontal assembly systems and offer a uniform and professional finish on the working surface.

Technical characteristics

- Material: Thermoplastic halogen-free plastic.
- Area: Mat, varnished, grey (RAL 1000) and transparent.
- Dimensions: 127 mm wide, 90 mm high and 7.5 mm deep.
- Configuration: 2 horizontal modules, 1 vertical unit.
- Installation: A ras, locking in position, no mounting grid.
- Resistance: IK04, suitable for horizontal assembly.

This component allows a clean and functional integration into electrical or control installations, ensuring a coherent appearance with the environment thanks to its matt finish and modular design. Locking ensures a safe and stable installation without the need for complex additional tools.

Specifications

Width	127 mm
Colour	Acabado mate
EAN	8005543753378

Manufacturer	LEGRAND
Halogen-free	Yes
Material	Termoplástico
Measures	127 x 90 mm
Depth	7,5 mm
Protection	IK04
