Description

The LW-PLACA 2M DARK plate is a functional accessory designed to aesthetically complete the installation mechanism. It is a two-module plate with dark finish that is mounted on the functional part of the system, offering a coherent visual integration in the installation environment.

Technical characteristics

- Material: Thermoplastic halogen-free plastic.
- Colour: Black (RAL 9011) with matt surface and varnished treatment.
- Dimensions: 95 mm wide, 90 mm high and 8.5 mm deep.
- Configuration: 2 horizontal modules and 1 vertical unit.
- Installation: A ras, with locking locks in position.
- Resistance: IK04 impact degree.
- Mounting position: Horizontal and vertical.

This plate allows a clean and uniform installation thanks to its flush design and its secure fastening system. Its matte surface and black color bring a discreet and modern finish to the electrical or control installation.
