Description

The LW-PLACA 2M Dark Green is an aesthetic accessory designed to be mounted on the functional part of electrical mechanisms, completing the appearance of the set. This two-module model features a dark green finish, although the technical specifications indicate a black base colour with similar RAL 6012, offering a matt and varnished surface.

Technical characteristics

- Material: Thermoplastic halogen-free plastic.
- Area: Mate with varnished treatment.
- Colour: Black (RAL 6012 similar), Dark Green finish.
- Dimensions: 95 mm wide, 90 mm high and 8.5 mm deep.
- Modularity: 2 horizontal modules, 1 vertical unit.
- Protection: IK04, flush installation, locking.
- Mounting position: Horizontal and vertical.

This plate allows a clean and uniform integration in electrical installations, facilitating the assembly in horizontal or vertical positions thanks to its locking system. Its halogen-free thermoplastic construction and IK04 impact resistance guarantee durability and safety in daily use.
