Description

The LW-PLACA 2M STONE plate is a functional accessory designed to aesthetically complete the installation mechanism. It is a two-module Stone plate that is mounted on the functional part of the system, offering consistent visual integration and a professional finish in electrical or control installations.

Technical characteristics

- Material: Thermoplastic halogen-free plastic.
- Area: Mate, varnished, grey (RAL 7008) and transparent.
- Dimensions: 95 mm wide, 90 mm high and 8.5 mm deep.
- Modularity: 2 modules in horizontal position, 1 module in vertical.
- Assembly: A flush, horizontal and vertical position, locking in position.
- Resistance: IK04, no mounting grille or hinged lid.

This plate allows a clean and uniform installation, adapting to horizontal or vertical configurations. Its smooth design and secure fixation ensure an orderly and functional appearance at the mounting point.
