Description

The Light Now plate is a functional accessory designed to aesthetically complete the installation mechanism. This 2-module model features a matt white finish that integrates discreetly into the environment, offering a smooth surface without further treatment.

Technical characteristics

- Material: Thermoplastic halogen-free plastic.
- Colour: White (similar to RAL 9003), matt surface.
- Dimensions: 95 mm wide, 90 mm high and 8.5 mm deep.
- Mounting position: Horizontal and vertical.
- Rasp installation with locking lock in position.
- Impact resistance: IK04.
- Not suitable for recessed boxes on the floor or for channels.

This plate allows a clean and uniform installation, adapting to horizontal or vertical configurations. Its compact design and halogen-free material guarantee a safe and aesthetic integration into the mechanism system.
