Description

The LW-PLACA 2M WHITE MICA is an accessory of the Light Now series designed to be mounted on the functional part of a mechanism, completing its aesthetics. It is a two-module plate with white Mica finish that is fixed by locking system in position, allowing a flush installation in horizontal or vertical orientation.

Technical characteristics

- Material: Thermoplastic halogen-free plastic.
- Colour: White (similar to RAL 7035) with matt surface.
- Dimensions: 95 mm wide, 90 mm high and 8.5 mm deep.
- Impact resistance: IK04.
- Modular system: 2 modules horizontal, 1 vertical.
- Installation to a minimum: Yeah.
- Mounting position: Horizontal and vertical.

This component offers a uniform aesthetic solution for electrical installations, ensuring coherent visual integration thanks to its flat design and matt finish. The absence of halogens in their composition and their resistance to IK04 impact guarantee durability and safety in daily use.

Specifications

High	90 mm
Width	95 mm
Colour	Matt white
EAN	8005543752678
Manufacturer	LEGRAND
Halogen-free	Yes
Depth	8,5 mm
Protection	IK04
