Description

The LW-PLACA 2X2M Dark Grey plate is an assembly accessory designed to aesthetically complete the functional part of electrical mechanisms. Its modular design allows a coherent visual integration in installations where uniformity in the finishing of control or switching devices is required.

Technical characteristics

- Material: Thermoplastic halogen-free plastic.
- Colour: Black (similar RAL 9004) with matt surface and varnished treatment.
- Format: 4 horizontal modules (2+2), compatible with horizontal and vertical mounting.
- Dimensions: 166 mm wide, 90 mm high and 8.5 mm deep.
- Installation: A ras, with locking locks in position.
- Impact resistance: IK04.
- Transparent: Yeah.

This plate offers a practical solution for installations that seek a discreet and robust finish. The absence of an assembly grid and its limited compatibility with standard surfaces facilitate its use in basic residential or commercial environments, prioritizing aesthetics and basic protection of the underlying mechanism.

Specifications

Width	166 mm
Colour	Black
EAN	8005543752432
Manufacturer	LEGRAND
Halogen-free	Yes
Depth	8.5 mm
Protection	IK04
