Description

The Light Now plate is an aesthetic accessory designed to cover the functional part of the mechanism, offering a uniform and modern finish. This three-module model features a Dark Grey finish that integrates easily into residential or commercial electrical installations, ensuring a clean and consistent appearance.

Technical characteristics

- Material: Thermoplastic halogen-free plastic.
- Area: Mate, varnished and transparent.
- Colour: Black (like RAL 9004).
- Dimensions: 127 mm wide, 90 mm high and 7.5 mm deep.
- Configuration: 3 horizontal modules, flush installation.
- Impact resistance: IK04.
- Fixation: Lock in position.

This plate allows you to visually complete the whole mechanism, providing a professional finish. Its flush design and impact resistance make it suitable for frequent passage areas where durability and aesthetics are required.
