Description

The LW plate of the Light Now series is a functional accessory designed to aesthetically complete the installation mechanism. This 3 module model features a Moka Stone finish that brings a modern and discreet touch to the electrical installation, integrating easily into the environment thanks to its horizontal design and flush mounting.

Technical characteristics

- Material: Thermoplastic halogen-free plastic.
- Finished: Painted matt surface, grey (similar to RAL 8019).
- Dimensions: 127 mm wide, 90 mm high and 7.5 mm deep.
- Configuration: 3 horizontal modules, 1 vertical unit.
- Resistance: IK04 impact degree.
- Assembly: Horizontal position, flush installation, locking in position.
- Extras: Transparent, no mounting grid, no label space.

This plate offers a robust and safe solution for installations that require a uniform and professional finish. Its halogen-free thermoplastic construction and IK04 impact resistance ensure durability in daily use, while flush mounting facilitates a clean and orderly integration on the working surface.

Specifications

Width	127 mm
