Red Diffuser Plexo Modular IP55 IK08

Brand: LEGRAND

Reference: LEGRAND 069591L

Modular red diffuser for Plexo ballistic pilot. Made of halogen-free thermoplastic with glossy surface. Fixation by thread and IP55 protection. Impact resistance IK08. Dimensions of 70.5 x 70.5 x 25 mm. Includes light output window for efficient signaling in demanding industrial environments.

Description

Modular red diffuser designed specifically for the Plexo series ballistic pilot. Its main function is visual signaling, offering a clear and defined light output thanks to its registration or control window. This component is integrated into indication systems where color accuracy and robustness are fundamental requirements for the identification of states or alerts.

Technical characteristics

- Colour: Red
- Material: Thermoplastic plastics
- Area: Brilliant, without further treatment
- Halogen-free
- Degree of protection: IP55
- Impact resistance: IK08
- Dimensions: 70.5 mm wide, 70.5 mm high and 25 mm deep
- Fixation: By thread
- Registration or light output window: Yes

The combination of halogen-free thermoplastic material and a shiny surface facilitates cleaning and ensures efficient optical transmission. IP55 protection and IK08 impact resistance ensure reliable operation in demanding industrial environments, protecting internal components against dust and splashes of water.

Specifications

High	70.5 mm
Width	70.5 mm
Colour	Red
EAN	3414971879676
Manufacturer	LEGRAND
Range	Industrial
Halogen-free	Yes
Material	Termoplástico
Depth	25 mm
Protection	IP55
