Description

The modular 1 element gray Plexo recess frame is designed to cover electrical mechanisms and customize the aesthetics of the installation. It belongs to the collection of plates and frames that facilitates the visual integration of the equipment in the environment.

Technical characteristics

- Material: Thermoplastic halogen-free plastic.
- Colour: Grey (similar to RAL 7046) with matt finish.
- Dimensions: 85 mm wide, 85 mm high and 43,5 mm deep.
- Assembly: Built-in flush, compatible with horizontal and vertical positions.
- Fixation: By thread.
- Modular configuration: 1 vertical module and 2 horizontal modules.

This component offers a discreet and functional solution for installations that require a uniform finish. Its modular design allows to adapt to different mounting configurations, ensuring a clean and professional appearance on the final surface.

Specifications

Width	85 mm
Colour	Grey

EAN	3414971881310
Manufacturer	LEGRAND
Halogen-free	Yes
Material	Termoplástico
# Elements	1 elemento
Depth	43,5 mm
Piece type	Frames
