Description

The modular white Plexo recessing frame is designed to cover electrical mechanisms and customize the aesthetics of the installation. This two element model allows flexible configuration, adapting to both horizontal and vertical mountings according to the needs of the project.

Technical characteristics

- Material: Thermoplastic halogen-free plastic
- Colour: White (similar to RAL 9003) with matt finish
- Dimensions: 156 mm wide, 85 mm high and 43.5 mm deep
- Configuration: 2 units (4 horizontal or 1 vertical modules)
- Installation: A ras, by threading

The matte surface without treatment offers a clean and uniform look. Being halogen-free, it meets material safety standards. The thread fastening ensures a firm fastening in the recessed box.
