Description

The grey modular Plexo recessing frame is designed to cover electrical mechanisms and allow customization of the installation design. This model offers flexibility in configuration, allowing both horizontal and vertical assembly to adapt to the needs of the project.

Technical characteristics

- Material: Thermoplastic halogen-free plastic.
- Colour: Grey (similar to RAL 7046) with matt finish.
- Capacity: 2 units (4 horizontal or 1 vertical modules).
- Dimensions: 156 mm wide, 85 mm high and 43.5 mm deep.
- Rack installation with threaded fixation.
- Untreated and non-transparent surface.

The modular structure facilitates aesthetic integration into spaces where visual uniformity is required. The matt finish and the absence of halogens provide a clean and safe look for the installation environment.
