Description

Lightweight tool bag designed for the orderly transport of utensils and accessories. Its compact structure allows you to carry the necessary equipment in a practical way, taking advantage of the internal and external spaces to organize each element.

Technical characteristics

- Material: 1200 deniers resistant fabric
- Dimensions: 43 x 17 x 18 cm
- Maximum load: 5 kg
- Closing system: Pressure type clip and Velcro
- Access: Total rapid opening
- Transport: Double handle and shoulder adjustable strap with foam
- Base: Wide rubber legs
- Extras: PVC inner case for documents
- Storage: Tape hooks and keys
- Specific compartment for pocket flashlight

The combination of the padded strap and the base with rubber legs favors stability and comfort during displacement. The presence of the inner case and the outer hooks facilitates immediate access to small documents and tools, optimizing the space available in the bag.
