Description

39 cm tool box made of plastic, designed for the orderly and safe storage of tools. It incorporates an automatic locking system and a latch that allows opening with one hand, facilitating quick access to the content.

Technical characteristics

- Main material: Plastic
- Closures: High-strength metallics
- Closing system: Automatic with latch of one hand
- Mango: Retractable and foldable
- Storage: 2 compartments on lid and removable tray
- Security: Suitable for padlock (not included)
- Load capacity: 17 kg total; maximum 5.5 kg in tray or handle
- Dimensions: 39.4 x 22.2 x 16.2 cm (16 inches)
- Design: Stackable

The stackable structure optimizes the space in the workshop or vehicle, while metal closures guarantee the protection of the utensils. The removable tray allows you to arrange small pieces in an accessible way.
