Description

This 18 mm segmented blade cutter is designed to provide precision and safety in cutting, incorporating an automatic recharge system that facilitates the replacement of the blade. Its Verrou model integrates a six-sheet charger, ensuring immediate availability during use.

Technical characteristics

- 18 mm segmented sheet
- Ergonomic handle of ABS soft to touch
- Sheet guide in stainless steel
- Safety lock wheel
- Integrated cracking
- Automatic recharging of blades
- Includes 6 spare sheets

The combination of the metal guide and the ergonomic handle provides a firm and controlled grip. The locking system and the knife breaker improve operational safety by minimizing the risk of accidental cutting during handling or leaf change.
