Set of 9 Long Ball-End Hex Keys 1.5-10 mm

Brand: FACOM

Reference: EDM 19164

Set of nine long spherical tip hexagon keys made of high strength silicon steel. They allow a working angle of up to 15 degrees and cover metric measurements from 1.5 to 10 millimetres.

Description

Set of 9 hexagonal long spherical tip keys, designed to offer precision and versatility in tightening and loosening tasks. Its elongated design facilitates access to areas of difficult reach, while the spherical tip allows working with an angle of up to 15° from the axis of the nut.

Technical characteristics

- Available measures: 1.5, 2, 2.5, 3, 4, 5, 6, 8 and 10 mm.
- Manufacturing material: high strength silicon steel.
- Package contents: 9 pieces.
- Includes support with locking system for safe storage and quick tool selection.

The combination of spherical tip and high strength material ensures superior durability and agile handling. The integrated support with lock prevents loss of parts and keeps order in the workshop or work bench, optimizing the preparation time for each task.

Specifications

EAN	3148519946543
Manufacturer	FACOM
Material	Steel
# Elements	9
