Description

This 8 compartment organizer is designed to maximize storage space through its modular structure. It allows a flexible configuration that adapts to specific sorting needs, offering a practical solution to keep objects separate and accessible.

Technical characteristics

- Type: Organizer of 8 compartments
- Characteristics: Extractible and divisible up to 10 spaces
- Material: Transparent polycarbonate lid
- Functionality: The lid blocks the inner compartments during transport
- Measurements: 42.2 x 10.6 x 33.5 cm

The possibility of dividing spaces up to a maximum of ten allows a detailed organization of elements of different sizes. The transparent lid facilitates quick identification of the contents without opening the container, while its locking function ensures the stability of the compartments when moving the organizer.
