Description

Removable sink shower with chrome finish, designed to facilitate the cleaning of utensils by means of a jet of removable water. It is integrated into the existing tap without requiring additional structural modifications to the installation system.

Technical characteristics

- Finished: Chromium
- Type: Removable shower
- Compatibility: Sinks

The removable design offers greater flexibility in daily use, allowing the flow of water to be directed accurately. The chrome tone provides a clean and modern look, integrating easily with different styles of kitchen or bathroom furniture.
