Description

The K8 Sink Single-Command is a unified control tap designed for the kitchen washing area. It incorporates a removable shower that allows to vary the flow of water according to the need, facilitating the cleaning of the sink and the handling of food. Its design is integrated with an HZ pipe, offering a practical solution for daily use in the home.

Technical characteristics

- Model: K8
- Type: Monomando with removable shower
- Finished: Chromed
- Component: HZ pipe

The configuration with removable shower provides versatility in water handling, while the chrome finish provides a clean and modern look to the kitchen furniture. This set of features seeks to offer practical and aesthetic functionality in the domestic environment.
