Description

Tap designed for connection of hoses by 1/2 inch thread. This component allows water flow control in distribution systems, facilitating installation and maintenance in industrial or domestic applications.

Technical characteristics

- Type: Conch tap
- Connection: Thread for hose
- Diameter: 1/2"

This accessory offers a practical solution for connecting irrigation or cleaning hoses, ensuring a secure connection thanks to its standard 1/2" thread system. Its elbow design optimizes the space on the wall or installation surface.

Specifications

EAN	8431977712504
Manufacturer	SOBI
# Elements	1
Thread	1/2"
