Description

The short bottle siphon S-84 is a desague solution designed for washbasins and bidets, characterized by its horizontal output and recordable mechanism that facilitates maintenance. It incorporates a 63 mm diameter extendable valve, equipped with PVC stopper, chain and rings for effective flow control.

Technical characteristics

- Model: S-84
- Type: Short registrable bottle siphon
- Extendable valve diameter: 63 mm
- Output: Horizontal
- Dimensions: 1.1/4" x 32 mm
- Includes: PVC plug, chain and rings

This compact design optimizes the space under the furniture, while the registration system allows easy access to the pipe for cleaning or repair without dismantling the entire siphon. The extendable valve ensures a versatile fit according to installation needs.

Specifications

Diameter	63 mm
EAN	8426621040362

Manufacturer	Jimten
Material	PVC
Depth	32 mm
