Description

The 10-mm BARBI extender is an extension piece designed specifically for cutting key mounts. Its main function is to provide the additional scope needed to access difficult or deep working points, facilitating the operation of the base tool.

Technical characteristics

- Diameter of 10 mm
- BARBI mark
- Compatibility with most cutting keys
- Robust and durable design

This tool is aimed at construction and installation professionals who require precision and versatility in their tasks. The wide compatibility guaranteed by its standard diameter allows its use in various assembly and maintenance applications, ensuring a constant performance in the day-to-day operation of the workshop or work.

Specifications

EAN	8432848014376
Manufacturer	Blansol
Long	10 mm

Measures	10 mm
Weight (kg)	0.05 kg
