Description

The 25mm BarBI Extender for Cutting Key Mount is a tool designed to provide additional scope in installation and construction tasks. Its main function is to facilitate access to narrow or hard-to-reach spaces, improving user accuracy and productivity in each task.

Technical characteristics

- Mark: BARBI
- Diameter: 25mm
- Compatibility: Cutting key mount

This piece is designed for professionals who need to extend the scope of their tools without compromising stability. By allowing better positioning in complex areas, it contributes to a more efficient and controlled execution of cutting or clamping operations.

Specifications

EAN	8432848014383
