Description

BARBI's Multipex 16x2-1/2" mobile elbow is a component designed to facilitate connections in plumbing and heating systems. Its structure allows to join pipes of diameter 16x2 mm with threads of 1/2", offering a practical solution for the installation of installations.

Technical characteristics

- Mark: BARBI
- Model: Multipex
- Tube diameter: 16x2 mm
- Thread: 1/2"
- Connection type: Mobile Nut

This piece is designed for professionals looking for a safe and functional connection. The use of a mobile nut simplifies the installation process and allows future maintenance with greater ease, ensuring the integrity of the connection between the different elements of the circuit.

Specifications

Diameter	16x2 mm
EAN	8432848054792
Manufacturer	Blansol
Measures	16x2 mm
