Description

BARBI's Multipex 20x2,0-3/4" mobile nut elbow is a connecting part designed for plumbing systems. Its main function is to allow the connection between pipes of diameter 20x2.0 mm and connections of 3/4", facilitating the assembly and precise adjustment in hydraulic installations.

Technical characteristics

- Compatible pipe diameter: 20x2.0 mm.
- Output connection: 3/4".
- Type of part: Elbow with mobile nut.
- Mark: BARBI.
- Model: Multipex.

The incorporation of the mobile nut allows fine adjustments to be made during the installation, which helps to achieve adequate sealing. This piece is aimed at facilitating work in professional construction and installation projects, offering a practical solution for pipe connection.

Specifications

EAN	8432848055140
Manufacturer	Blansol
Measures	20x2,0 mm
Thread	3/4"
