Brand: Blansol

Reference: BLAN IXPRABKRC2012

20-1/2" fixed tailpiece M IXP-2 in white of the BARBI brand. Designed for plumbing facilities, it offers a secure and stable connection. Its smooth finish facilitates integration into technical systems, ensuring durability and constant performance in professional construction and maintenance environments.

[View product online](#)**Description**

The white 20-1/2" M IXP-2 fixed rack of the BARBI brand is a connection component designed for installation systems. This accessory is presented as a functional piece for joining pipes, highlighting its smooth finish and standard format that facilitates integration into plumbing or fluid projects.

Technical characteristics

- Mark: BARBI
- Model: IXP-2
- Type: Fixed rack M
- Size: 20-1/2"
- Colour: White

This element offers a direct and stable connection solution. Its compact design allows easy handling during assembly, ensuring continuity of the circuit without additional adaptations. White completion is practical to maintain a uniform aesthetic in installations where the visibility of the component is relevant.
