

## Product sheet

## Multipex Equal Tee 40 mm

Brand: Blansol

Reference: BLAN MULPAIKT40

You equal Multipex of 40 mm diameter in the three outputs, manufactured by BARBI. Component for plumbing and heating installations that allows leads in pipes of equal size. Designed to withstand high pressures and temperatures, ensuring watertight and durable connections in fluid distribution systems.

### Description

The Multipex diameter 40-40-40 of the BARBI brand is an essential component for plumbing and heating installations. Designed to ensure secure and durable connections, this product stands out for its resistance to high temperatures and pressures. Its diameter of 40mm in all outputs facilitates compatibility with pipes of equal size. The BARBI brand, recognized in the sector, ensures the reliability and durability of the product. Ideal for professionals looking for efficiency and precision in their projects.

#### Technical characteristics

- Diameter: 40mm on all outputs
- Mark: BARBI
- Resistance to high temperatures and pressures

This is ideal for professionals looking for efficiency and precision in their plumbing and heating projects. Its design ensures secure and durable connections, facilitating compatibility with pipes of equal size.

### Specifications

|              |               |
|--------------|---------------|
| EAN          | 8432848038945 |
| Manufacturer | Blansol       |

may contain errors or omissions and does not replace the manufacturer datasheet.
