Equal tee Multiplex PPSU 16-16-16

Brand: Blansol

Reference: BLAN MULPPLKT16

Multiplex PPSU connector of 16 mm nominal diameter, made of polyphenylsulfone for pipe systems. It offers high thermal and chemical resistance, ensuring durability and structural stability in demanding technical installations.

Description

The BARBI Multiplex PPSU 16-16-16 is a component designed for connecting pipe systems. This piece is made of PPSU, a material that provides thermal and chemical resistance, ensuring durability and protection against corrosion in daily use.

Technical characteristics

- Material: PPSU
- Diameter: 16mm in all directions
- Connection type: Multiplex
- Mark: BARBI

Its uniform design facilitates a simple and safe installation, allowing optimal performance even in extreme conditions. This piece maintains its structural integrity, offering reliability for construction and installation professionals who seek efficiency in their projects.

Specifications

EAN	8432848064975
Manufacturer	Blansol
Measures	16 mm
