Description

Textile tool bag designed for the safe and organized transport of work equipment. It incorporates 90 mm wheels and a versatile fastening system that facilitates movement in different work environments.

Technical characteristics

- Material: 1200 deniers resistant fabric
- Wheels: Diameter 90 mm
- Useful capacity: 33 litres
- Maximum load: 18 kg
- Interior dimensions: 47 x 24 x 30 cm
- Transport options: Telescopic handle, aluminium handle with leather coating and padded shoulder strap
- Internal organisation: Vertical compartment, elastic fastening strap and specific separator for screwdrivers
- Outer pockets: 6 pockets, adjustable saw compartment with self-adhesive strips and pocket for A4 or portable documents

The structure allows quick access to the tools thanks to internal compartments and multiple external pockets. The design optimizes the space to store from screwdrivers to electronic equipment, keeping all the material protected and by hand during the working day.

Specifications

EAN	3148519384888
