Description

Compact tool basket designed for the organized transport of work tools. Its structure combines resistance and functionality, facilitating rapid access to essential elements during the working day.

Technical characteristics

- Main material: High strength polyester fabric of 1200 deniers.
- Base: Rigid and waterproof, made of polypropylene.
- Asa: Aluminium with ergonomic grip.
- Strap: Shoulder padding, equipped with stainless steel metal hooks.
- Cover: Flexible, with fastening straps.
- Organisation: Vertical fast access storage, side support for screwdrivers and punches, and numerous side pockets.
- Capacity: 34 liters (14 inches).
- Maximum load: 11 kg.
- Dimensions: 39 x 27 x 36 cm.

The combination of waterproof base and resistant fabric protects the contents from splashing and wear. The side support system and vertical storage optimize the visibility and reach of the most used tools, reducing the search time.

Specifications
