Description

This multipurpose backpack of the Tool backpack model is designed for the organized transport of tools and equipment. Its structure combines black and blue colors with reflective details to improve visibility in working environments.

Technical characteristics

- Material: Polyester 840d
- Model: Backpack Tool
- Capacity: 20 pockets
- Characteristics: Reflective
- Implementation: Multipurposes
- Dimensions: 31 x 17 x 43 cm

The arrangement of 20 pockets allows you to quickly classify and access different types of tools. The 840d polyester material provides a solid basis for daily use, while reflective elements contribute to the user's visual safety during travel.
