Description

Micel's 100-punch rubber roller case model 10891 is designed for use in industrial applications where a rubber roller fastening or fastening system is required. It is a specific component for machinery or equipment that needs elastic contact elements to cushion impacts or facilitate controlled sliding.

Technical characteristics

- Mark: Micel
- Model: 10891
- Material: Goma
- Quantity: 100 units
- Type: Roller bumps

This product is used in industrial environments where a rubber support for rollers is required, ensuring a secure and flexible connection. Its design allows easy integration into mounting or fixing systems.

Specifications

EAN	8431488108919
Manufacturer	MICEL
Range	Industrial
Measures	100x50x30 mm
# Elements	100
