Description

Blister of 2 hinges for straight bowl 26 mm long, designed for installation in doors or cupboards with distance between holes of 38 mm and opening of 110°. This set allows a smooth and precise closure in furniture applications or locks of general use.

Technical characteristics

- Distance between holes: 38 mm
- Opening: 110°
- Length of the bowl: 26 mm
- Number of hinges: 2
- Type: Straight saucepan

The design allows direct installation in doors or cabinets with standard geometry, ensuring accurate alignment and stable operation. Its 110° opening offers a wide range of useful movement in reduced spaces.
