Brand: ALBERTO MUÑOZ

Reference: ALM 3104.0036

2-foot rod with 24 hinges model 814, zinc finish, designed for durable and durable industrial use.

[View product online](#)**Description**

The case 24 hinges 814 2' zincated is a metal product designed for use in industrial or commercial installations, with zinc finish that provides protection against corrosion. It is composed of 24 hinges of type 814, with dimensions of 2 feet, suitable for mountings that require secure and durable fixation.

Technical characteristics

- Type: Box with 24 hinges
- Model: 814
- Length: 2' (feet)
- Finished: Zincated

The 814 hinged case design allows direct installation in metal structures, ensuring a stable connection. Its zincated finish improves oxidation resistance in environments with moderate humidity.
