Description

MCM 2556A wooden overlay lock with double cylinder lever and handle, designed for installation in wooden doors. It allows access from the outside by key and from the inside by shooter, guaranteeing safety and comfort in residential or commercial environments.

Technical characteristics

- Model: 2556AP-70-I
- Type: Overlay lock
- Material: Wood (MCM)
- Access: Double cylinder
- External action: Key
- Inner drive: Shooter (pitch)

The double cylinder design allows you to control access from both sides with different methods, optimizing the safety on wooden doors. Its installation is direct on the surface, without having to fit into the frame.
