Description

MCM wooden overlay lock model 2525PR-100-D with red finish, designed for wooden doors. Includes two-round lever, handle and double cylinder system for greater safety. It is operated from the outside with key and from the inside by means of the shooter.

Technical characteristics

- Mark: MCM
- Model: 2525PR-100-D
- Type: Overlay lock
- Material: Wood (as indicated by the manufacturer)
- Finished: Red
- System: Double cylinder
- External access: Locked.
- Internal access: With a shooter
- Lever: Two laps

It allows a secure and controlled lock from both sides of the door, with a double cylinder mechanism that requires a key to access from the outside. Ideal for wooden doors where security and ease of use are needed from the inside.
