### Description

New generation 5200-4N mace handle, made of premium beech wood. Designed with ergonomic shape for better adhesion and comfort during use. It has a varnished finish that protects the surface and highlights the natural texture of the wood.

#### Technical characteristics

- Material: beech wood
- Model: 5200-4N
- Finishing: varnished
- Design: ergonomic
- Quality: first quality

Ergonomic design facilitates gripping and reduces fatigue during prolonged work. Beech wood provides a balance between lightness and strength, suitable for professional use in demanding working environments.
