Description

Bellota flat file with 6" (150 mm) interfine handle model 40016EMB, designed for mechanical use. Made of the best quality carbon steel, with tempering treatment for greater durability and performance in metal sharpening and polishing works.

Technical characteristics

- Length: 6" (150 mm)
- Type: Flat Lima
- Mango: Entrefine
- Material: Carbon steel
- Treatment: Temple
- Recommended use: Mechanic

This product is designed for precise machining applications, where optimum material control and a uniform working surface are required. Its design with interfine handle allows a secure grip and a better distribution of force during use.

Specifications

EAN	8414299093759
Manufacturer	BELLOTA
Long	150 mm

Material	Acero al carbono
Measures	6" (150 mm)
Weight (kg)	0.25 kg
