Description

3P/4P INS/INV800/1600 phase separators, designed for use in electrical distribution systems of the ComPact NB range. They are insulation accessories that allow the physical separation between poles in automatic switches, ensuring safety and proper operation in industrial and commercial electrical installations.

Technical characteristics

- Number of poles: 4P
- Amount per game: Game of 6
- Range compatibility: Compact NB
- Product range: INV630b...1600, INS630b...1600
- Short name of device: Phase separators
- Type of product or component: Phase Separator
- Accessory/component type: Insulation accessories
- Compatibility code: Insulation screens (*)
- Sustainable supply status: Product Green Premium
- REACH Regulation: The reference contains SVC on the threshold
- EU RoHS Directive: Proactive compliance (out-of-scope product of RoHS EU)
- RoHS exemptions: Yes
- RoHS China Regulations: X
- No mercury: Yes
- No PVC: Yes

Specifications

EAN	3303430313151
Manufacturer	SCHNEIDER
Range	Industrial
Measures	6 unidades
# Elements	6
No. of poles	4P
