### Description

Bornero 20P Screw is a removable connecting block designed for use in modules of the Modicon X80 range. It is composed of 20 gaiola terminals, allowing a secure connection and easy to disassemble. This accessory is specifically designed to integrate into modules that require a 20 pin removable terminal block.

#### Technical characteristics

- Product range: Modicon X80 ((\*))
- Type of component: Removable connection pad
- Number of terminals: 20
- Type of terminal: Removable Gaiola
- Destination of the separate part: For module with 20 pin removable terminal block
- Product weight: 0.093 kg
- EU RoHS Directive: Proactive compliance (out-of-scope product of RoHS EU)
- Without toxic heavy metals: Yes
- No mercury: Yes
- Information on RoHS exemptions: Yes
- RoHS China Regulations: X
