Description

Borner 28P with spring for Modicon X80 modules, designed for removable connection of cables in automation systems. Compatible exclusively with modules that require a 28 pin detachable terminal block.

Technical characteristics

- Product range: Modicon X80 ((*))
- Type of component: Removable connection pad
- Number of terminals: 28 terminal block with removable spring
- Destination of the separate part: For module with 28 pin detachable terminal block
- Product weight: 0.07 kg
- EU RoHS Directive: Proactive compliance (out-of-scope product of RoHS EU)
- Without toxic heavy metals: Yes
- No mercury: Yes
- Information on RoHS exemptions: Yes
- RoHS China Regulations: X
