Description

Passive sub-bases and split boxes of type Modicon ABE9 with IP67 protection, designed to be integrated into industrial automation systems. They are designed to facilitate the connection and distribution of signals in demanding industrial environments, ensuring a high level of protection against dust and water.

Technical characteristics

- IP67 protection
- Compatible with Modicon ABE9 systems
- According to REACH without SVCH
- Proactive compliance with the EU RoHS Directive
- Product out of reach of EU RoHS regulation
- No mercury
- Information on RoHS exemptions available
- RoHS China Regulations: X
- WEEE waste collection: mandatory in the European Union, not to be disposed of in garbage container

Specifications

EAN	3389119412438
Manufacturer	SCHNEIDER
Range	Industrial
Protection	IP67 - uso esterno
