

## Product sheet

## PC connection cable for Modicon M340 CPU 4.5 m

Brand: SCHNEIDER

Reference: IMPO BMXXCAUSBH045

Connection cable for Modicon M340 CPU with 4.5 m length, designed for industrial communications in automated environments. Supports Modbus TCP protocol and physical connection type RJ45. Resistant to electromagnetic interference and with high durability insulation, ensuring stability in critical installations.

### Description

Connection cable specifically designed to connect the Modicon M340 CPU to a computer, facilitating system programming, configuration and diagnosis. Its length of 4.5 meters allows flexible installation in industrial environments without restrictions of distance.

#### Technical characteristics

- Length: 4.5 m
- Connector: Compatible with Modicon M340 CPU
- Implementation: Direct connection for programming and diagnosis

This cable allows stable communication between the computer and the Modicon M340 CPU, ensuring efficient integration into automation systems. Its design allows easy handling in industrial control environments.

### Specifications

|              |               |
|--------------|---------------|
| EAN          | 3595863920215 |
| Manufacturer | SCHNEIDER     |
| Long         | 4,5 m         |
