### Description

Programming kit for ITA devices of the Acti 9 range, designed for use in building environments. It allows the configuration and updating of annual timed switches and ITA memory keys by direct connection to the computer.

#### Technical characteristics

- Kit composition: 1 1.5 m USB cable, 1 programming device
- Power supply: PC USB Interface
- Compatible operating system: Windows 2000 SP4, Windows XP, Windows Vista, Windows 7
- Integrated connection type: Slot for mini-B USB memory key
- Product compatibility: ITA annual timed switch, ITA memory key
- Material: POM (polyoxymethylene), PC (polycarbonate)
- Height: 18.5 mm
- Width: 57 mm
- Depth: 40 mm
- Operating ambient temperature: 5...35 °C
- Storage ambient temperature: -5...45 °C
- EU RoHS Directive: As per
- Without toxic heavy metals: Yes
- No mercury: Yes
- Information on RoHS exemptions: Yes
- RoHS China Regulations: Proactive statement by RoHS China (out of the legal reach of RoHS)

China)

- WEEE: On the European Union market, the product must be disposed of in accordance with a specific waste collection system and never end up in a waste container
- Compatibility code: Quick\_PF

The kit facilitates ITA device programming in small business environments, ensuring easy integration into building control systems.

## Specifications

|              |                         |
|--------------|-------------------------|
| Width        | 57 mm                   |
| EAN          | 3606480625190           |
| Manufacturer | SCHNEIDER               |
| Long         | 1,5 m                   |
| Measures     | 18,5 mm x 57 mm x 40 mm |
| Weight (kg)  | 0,05 kg                 |
| Depth        | 40 mm                   |
