Description

Pile Lithium button model DL/CR 2450 from the Duracell brand. This type of battery is designed to power electronic devices that require a compact and specific power source, meeting the technical specifications of the 2450 format.

Technical characteristics

- Mark: Duracell
- Model: DL/CR 2450
- Type: Lithium Button Stack

This battery offers the necessary compatibility for equipment that specify the use of CR 2450 batteries, ensuring a correct fit and the proper functioning of the device according to its voltage and capacity requirements.

Specifications

EAN	5000394030428
Manufacturer	DURACELL
