Description

Powerplus 4V battery screwdriver, model POWX00406. This tool is designed for light tightening and unscrewing tasks, offering a compact and practical solution thanks to its lithium battery power.

Technical characteristics

- Mark: Powerplus
- Model: POWX00406
- Voltage: 4V
- Battery: Lithium 1,3Ah
- Connection type: 1/4
- Maximum torque: 4Nm
- Charging time: 5/6 hours
- Includes briefcase and 47 accessories

The inclusion of 47 accessories and the transport case allows you to have at hand the bits needed for various applications without the need to buy them separately. The 4Nm tightening torque is suitable for precision work where control over the tightening force is required.
