Description

Bosch's EasyGrass series electric cutters, designed for lawn maintenance and grass cutting in gardens. This model, identified as CUT 26, is part of the brand's line of garden power tools.

Technical characteristics

- Mark: BOSCH
- Model: EasyGrass CUT 26
- Reference: 06008C1J01
- Type: Electric cutters

The CUT 26 designation suggests a power of 260 W, although it is not explicitly specified in the data provided. As an electrical equipment, it requires connection to the network for its operation. Its design is oriented to facilitate the cutting of edges and hard-to-reach areas in the garden.
